#### WHAT WE DO

**Auto Electric Service-** Bring your car or truck into our shop for free professional testing. We will diagnose your problem and advise you on your options. We install batteries, alternators, starters and repair shorts in wiring.

**Truck electrical parts-** Do you need a starter or alternator you can count on for the long haul? We handle the best. High output alternators for longer dependable service. Light weight gear reduction starters will give you trouble free starts every time. Backed up with a 3 year 350,000 mile warranty

**Specialty rebuilding bench-** If you need a fast repair or an antique overhauled, we can do it. No job is too big or too small.
